BUTTERFLY

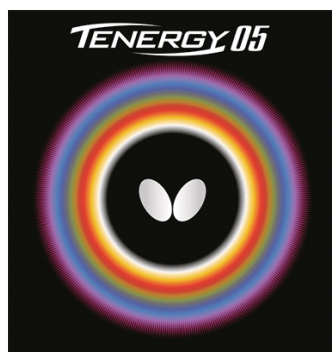

'50 YEARS OF TEES SPORT' COMPLETE BAT OFFER

ZYRE 03

A durable Ricosheet top sheet with an extra-thick, harder Spring Sponge X for powerful spin and excellent ball feel. Its pimple design creates a dramatic arc and deep, penetrating shots.

TENERGY 05

The first rubber to feature Butterfly's new "Spring Sponge". Tenergy 05 combines explosive sponge technology with a new tensioned top sheet with maximum surface grip.

DIGNICS 05

Spring Sponge X technology with an advanced top sheet. Recommended for a high level, spin oriented offensive game. Features additional elasticity and spin performance of the highest order.

TIMO BOLL ALC

Classic ALC construction with a medium-hard feel. For dynamic players who require precision in their spin oriented game.

HARIMOTO ALC

5 plies of natural woods combined with 2 ALC layers above the core. A softer touch and increased spin, yet maintains the stability, precision and punch benefits of ALC blades.

FAN ZHENDONG ALC

Used by many top players including Fan Zhendong. It is equipped with Arylate-Carbon, the flexibility, ease of use, and bounce provide an excellent balance between offensive and defensive play.
